Rome Dom Hotel

Dom Hotel is the new favorite of Rome, the city of love, delicious food and art. The hotel is in the middle of the attractions of the city. The old aristocrat home atmosphere creates a balance between the sacred feelings and mundane. The marbles from 1500s are mixed with brown tones and animal furs to create an harmony. The open terrace is ideal for a coffe break or long breakfasts. You can enjoy the sunset with fine wine and Chef Mac Mariola's pizzeria. The Deer Club is the supper club of the hotel where you can find the Italian cuisine. All roads in Rome lead to the meeting point of modern and the antique, Dom Hotel.
