The Deer Club lounge opens in Rome

Located at the historic Via Giulia, the D.O.M Hotel Roma has just opened The Deer Club, the first international lounge concept in Rome where guests can socialize and listen to great music, in a sensual and very exclusive atmosphere. With a wide range of wines, champagnes, among other drinks, The Deer Club is also a private restaurant, with a secret door opened to the back room of The Deer Club, available only upon reservation for exclusive placé dinners.
